YOUR COMPANY

Two-year rebate history

Program rebate (5–9%) · Partner bonus (2%) · Lighter = sample

Qualified purchases grew 8%, from $93,092 to $100,513. Rebates grew faster because two quarters reached Tier 3, which pays more on **every** qualified dollar.

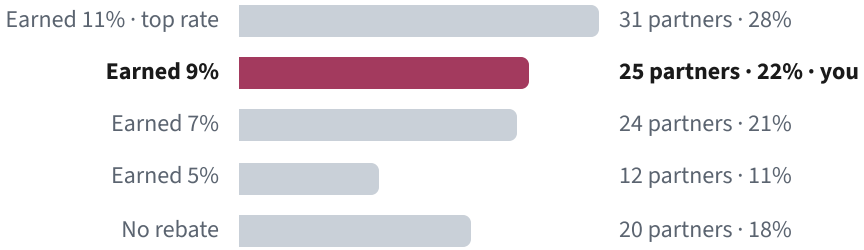

What your rebate could be

Per quarter. Total purchases set your tier; the rebate is paid on qualified purchases, which were 85% of yours in 2026. Rates include the 2% Partner bonus.

Total purchases	Tier	Qualified (85%)	Total rate	Per quarter	Per year	
$28,500	Tier 2	$24,225	9%	$2,180	**$8,720**	You: 2026 averaged $29,562
$30,000	Tier 3	$25,500	11%	$2,805	**$11,220**	Next tier: $2,500 a year more
$40,000	Tier 3	$34,000	11%	$3,740	$14,960	

How you compare

Rate earned, including the bonus, by partners in the rebate program in Region 7 · Q2 2026, the latest actual quarter · 112 partners

#34 of 112

Top 30% of the region's program partners by Q2 qualified purchases

Your 2027 plan

1 Hold Tier 3 every quarter

Clear $30,000 in total purchases each quarter to earn 11%. Two 2026 quarters missed by under $3,600.

2 Keep the Partner bonus

Your Preferred Partner status added **$2,010** in 2026. It pays only while your membership is in good standing.

3 Buy more qualifying lines

15% of your 2026 purchases earned no rebate, though they still counted toward your tier. Ask Store 118 which lines qualify.

Region figures count only partners in the rebate program, and no other partner's results are shown.
